1. Discussion and FGD related to FIKK quality assurance

Course of Meeting :

1. Mr. Dean :
   a) The sustainability of the curriculum depends on GPM
   b) GPM always makes breakthroughs related to learning at FIKK
   c) Each lecturer has a teaching material / book work
   d) There is an improvement in services by education personnel

Question

1. Dewa UPM PKO
   The FIKK research roadmap was derived for lecturer and student research

Answer

Mr Bayu GPM FIKK:
The FIKK research roadmap is in place until 2024 and until the dissemination process of related products

Question

Mr. Nurbawono
a) The findings of the scientific curriculum review and RPS Validation became findings,
b) GPM facilitates such findings

Answer

Bu Dita
a) Conduct joint meetings for scientific clusters according to the roadmap
b) There is a workshop for the latest RPS and the preparation of RPS Back related to case method and PBL

c) New RPS related to IKU billing

Question

1. Mrs. Lorry
   a) The implementation of aqas for research outcomes is the focus of research completed by students
   b) The ROADMAP made by the faculty is used for study program research clusters
   c) Roapmap research is passed down to lecturers and students
   d) If it is based on the roadmap, then there will be a better research focus
   e) Return of uts and assignment values has no clear SOP for value entry
   f) Value input policy for UTS to prevent input of all values at the end
   g) More in-depth checking of RPS related to learning (not yet stated in the form of stages in RPS) hopefully Cooperation with the validation team
   h) Additional charges for UPM RPS checking

Answer

Mr. Bayu Budi Prakoso GPM FIKK

a) The use of FIKK ROADMAP for students is ideal to use and map
b) If the FIKK Rodmap is used for students, the study program coordition has a research escort for students
c) The RPS template must contain syntax according to the learning method

Question

Mrs. Ratna

a) One of the research obstacles is that there is no ethical test to facilitate the research of lecturers and students (Ethics Commission)

Answer

Mr. Bayu Budi Prakosos

Unesa have departement for Ethics Commission assessment for Lecturer and student.

Follow-up Plan :

a) RPS template with syntax in it
b) Socialization of the Ethics Commission already exists at Unesa

Notulis

Eva Ferdita Yuhantini, S.Pd.M.Kes.
